The battery takes at least 50% more charging time than specified. When purchased I was told 4-8 hours. In reality it takes 12+ hours. Since this is an electric vehicle this greatly decreases the value of the vehicle. 007128 · APR. 24. 14	1st visit	Nov 14, 13	Mar 21, 14	100- 140 k
